A photograph of the exterior of a Visual Comfort & Co. showroom. The building is a single-story structure with a light-colored, possibly stone or concrete, facade. The name "VISUAL COMFORT & Co." is prominently displayed in large, dark, serif capital letters across the upper portion of the facade. Below the name, the entrance is framed by four large, square columns. The central entrance consists of a set of glass double doors, flanked by large glass windows on either side. The interior of the showroom is visible through the glass, showing a well-lit space with various lighting fixtures and furniture. The sky above is a clear, bright blue.
